

Dear VolunTeen,

We appreciate your interest in the VolunTeen program at both Cabell and St. Mary's. For the 2024 program we are excited to welcome back returning teens and new teens to join the program!

The purpose of the VolunTeen Program is to extend and enhance services to patients and families; in short, 'To be of service to others'. We, at Mountain Health Network, welcome VolunTeens as members of our institution, as their service and enthusiasm not only enhance our patient-focused care, but also aid the VolunTeen in gaining and developing insight and responsibility to our community.
